BAPTISMAL RECORD
OF THE NEW BETHEL OR CORNER CHURCH, ALBANY TOWNSHIP,
BERKS COUNTY, 1761-1853

This record is a small book, 8 1/8 inches long by 6 1/2 inches wide, which has at present twelve pages of introductory matter, followed by 146 pages of baptismal entries.

1766 Johannes HAYN as Vorsteher

This baptismal or church record I have bought for the church at Rettenthan (Readingtown) for 2 Shillings and 6 Pence. Jacob WERDT was paid by the congregation.

1761

This is the book of the external covenant which Christ has given to us, whoever believes the word of his divine mouth shall be saved. But whoever does not believe his Word and is not baptized in his death, he is damned. As Christ says he has destroyed the new covenant. God alone the glory.

Johannes Han (HAYN)

Baptismal and Church Record in our Church
In The Rosenthal, Albany Township 1861

We have laid the corner stone on the 11th of November at a thanksgiving and prayer service, together with a sermon, from the prophecy of Malachi. (The text was perhaps Malachi 3:1)

And it was built in unity and peace for both religions, Reformed and Lutheran. Hence it was the willing, orderly and peaceful conclusion of both congregations, which we laid in the cornerstone on the south side, with two catechisms, namely that none of the above congregations shall have any special privileges in the church or in the benches and chairs, except the elders, nor shall their be any special privilege in the use of the baptismal and communion vessels, nor shall any other sects preach in it, except those mentioned above. Furthermore, it is our united will, that if God shall build the small and ruined Zion, and if both congregations should want to hold services on a Sunday, she shall be the last the following Sunday. Also the collections or alms which are contributed shall be for both congregations together, as follows: Johannes HAIN and Henrich REICHELDDORFFER, elected as architects by both congregations, have been unitedly chosen and empowered by us to finish this church or assembly house, with our help, because they made the first beginning in this good work. With the help and assistance of God we have now bought it so far that the kingdom of God may be increased and His Word may be preached in it in peace, (and not the kingdom of Satan, which is planted through quarrels and jealousy). We have left this report to our children and descendants as well as our will that they exclude him (Satan) from Christ's kingdom of peace and his church.

To this we testify our names before God and the world, for the church was built in peace. Also the pew next to the deacons shall be for the elders.

Today, April 22nd, 1762, we settled for the first time. Money collected 43 Pounds and 12 Shillings and 8 Pence. Now there still remains, after the wages of the carpenters, the masons, the hands, the nails, the paint and other expenses have been paid, to the good of the congregation the sum of 4 Pounds, 13 Shillings and 3 Pence.

The 22nd of April, 1762.

For surveying church land		34 sh.
For more shingle nails		33 sh.
For baptismal vessel and table cloth		19 sh.
For turned posts		40 sh.
